FOR SELF RELIANCE

practical help for
practical people

Could you be a trustee of Tools for Self Reliance and help us to build a great future?

Tools for Self Reliance is seeking talented, motivated individuals to help guide the organisation through the next stage of its development.

Trustees play a key role in governing and leading the organisation. The board of trustees seeks to have a range of skills including financial management, organisational development, charity law and experience of working in international development. If you have experience in any of these areas we would be interested to hear from you.

The role, which is entirely voluntary, involves attendance at board meetings and engaging in other activities in support of our work.

The board of trustees is an elected body and as such you would be expected to go through a formal election process at the Annual General Meeting on 30 May 2009.

You will also need to be a member of Tools for Self Reliance and the deadline for this is 21 March 2009.

To find out more ask for an information pack by ringing Polly on 023 8086 9697 or email info@tfsr.org
