

“ I am able to make a little income and support my mother. I can see a great future.

Wilias missed out on school as he was needed to support the family, but as he got older, he wanted to make a living. He approached a local business for an apprenticeship but couldn't afford the fees. He was delighted when he came across our funded welding course and took up a place straight away.

He has built skills and confidence ever since, learning to make door and window frames, wheelbarrows and components for machinery and mostly importantly, started earning money.

He has completed his 12 month course and now plans to set up a welding business with other trainees, but in the future he dreams of having a big shop and employing others.

## A GIFT TODAY A FUTURE TOMORROW

“ Before I came to the project I was confused and I didn't know what to do with my life. I was not in a good place. Now I am useful. I have skills, I have a purpose and a future” Isatu, tailoring trainee.

TOOLS FOR  
SELF RELIANCE

Practical help for practical people

## LEAVE A LEGACY OF HOPE AND OPPORTUNITY

## WORKING TOGETHER

**For over 40 years, Tools for Self Reliance has been working to make the vision we share a reality; a world free of poverty where people can use their skills and energies to meet their needs and aspirations.**

We empower people to overcome barriers to building sustainable livelihoods through providing holistic packages of vocational training.

We have supported over 35,000 people across five countries in Africa to achieve qualifications and unlock doors to employment — giving them the means to move out of poverty and into financial resilience.

**But we're not done yet and by including a gift in your Will, you can be part of this work too.**

## GIVE THE MOST POWERFUL GIFT

What is a gift in a Will?

You can choose to leave a donation to a charity in your Will, and every gift, no matter how big or small is hugely valuable to us. You can leave a pecuniary (cash) gift, a residuary (percentage) gift or gifting a specific item - it's completely up to you.

If you already have a Will, but want to include us, you can simply add a change through a 'Codicil' which you can find on our website, or ask your solicitor.

Leaving a gift in your Will helps us plan our work for the future, and most importantly can help someone else achieve goals they never thought possible.

**Leaving a gift in your Will is a powerful gesture that has many benefits:**

- ensures your assets, cash and possessions go to causes that matter to you
- helps make your intentions clear beyond your death
- can mean you pay less inheritance tax
- costs you nothing during your lifetime
- helps us plan for the future.

By making a gift in your Will, we know you are placing your faith in us to deliver your wishes. We promise to handle your generosity and kindness with dignity and ensure that your legacy changes a life in the future.
